### Select Your "Resident School District"

Your resident school district is where you will be **LIVING** on **September 15, 2017**.

Indicate your **Resident** School District:

- Getting this step correct is critical. Your "resident school district" will pay for your open enrollment and is required to be notified that you have applied to one or more different school districts for your children.
- BE AWARE that school district boundaries **are not the same as town, village, city or county** boundaries. If you are unsure of the school district in which your home is or will be located, contact the municipal clerk (e.g. city hall), then confirm with a phone call to the school district.
- CAUTION: Be sure you select the correct resident district from the drop-down list. Many school districts have similar names and this has been a cause of many errors.
- If you do not know the school district in which your home is located, please contact your municipal clerk. If you own your home, the name of the school district is on your property tax bill.
- If **you are not sure** where you will be living on **September 15, 2017**, please read [Important Information If You Are Planning to Move](#) before continuing.
- WARNING! The Open Enrollment program cannot be used to enroll your child in your resident district. Contact your resident district for enrollment information!

### Eligible for Reimbursement for Transporting Your Children?

You are responsible for transporting your children to and from school in the nonresident school district.

**However**, Wisconsin sets aside some money every year to reimburse transportation expenses for qualifying families. If you qualify for free or reduced price meals, you may qualify to have a portion of your expenses reimbursed. The income guidelines for the Federal school lunch program in the **2016-2017** school year are listed to assist you in determining whether you may be eligible for transportation reimbursement.

### Maximum Income for Reimbursement Eligibility

Household Size	Gross Monthly Income
1	\$1,832
2	\$2,470
3	\$3,108
4	\$3,747
5	\$4,385
6	\$5,023
7	\$5,663
8	\$6,304

For each additional household member over 8, add \$642

Do you anticipate submitting a claim for transportation reimbursement?

- ☒ Yes (in a future step, you will receive an estimate of how much you might receive)
- ☐ No (you can still change your mind later)

### How Many and How Far?

Please enter how many children you will be transporting, and the number of miles in one round trip from your home to the school:

Number of students transported (estimated):

Number of miles in one roundtrip  
(estimated):

Example: you have a round trip from your home to the schools your 3 children are attending of 20 miles. You would enter 3 for number of students transported, and 20 for the number of miles. The estimation formula will assume you make this trip 2 times a day, so just enter the number of miles for one round trip.

Tip: To come up with an accurate number when it's time to file the claims, it may be helpful to indicate on a calendar each day you drove, as this total number of days driven will be asked for on the claim form.

**You will need to submit a claim form for actual expenses at the end of the school year.** Forms will be available in mid to late May at <http://dpi.wi.gov/oe>. Please note the due date on those forms; once claims are due, 100% of the money available will be disbursed by DPI - i.e. there will be no money remaining to pay claims that are received after the due date.

### Estimate of Transportation Reimbursement

This estimate assumes the following:

- Estimated maximum reimbursement per student = \$1,256.60
- Estimated proration factor = 20%  
(to be finalized in August 2018 when final claims are calculated and paid)
- Assumes 2 round trips per day for 180 days and that all students are transported at the same time

Estimate of your reimbursement:

- A. Calculation of maximum reimbursement for the 2017-2018 school year:  
 $1 \text{ students} \times \$1,256.60 = \mathbf{\$1,256.60}$
- B. Calculation of mileage cost:  
 $20 \text{ miles per round trip} \times 2 \text{ round trips per day} \times 180 \text{ days} \times 0.352 \text{ per mile} = \mathbf{\$2,534.40}$
- Calculation of estimated reimbursement:  
Lesser of A or B, above: **\$1,256.60**  
multiplied by the 20% proration factor:  $\mathbf{\$1,256.60} \times 0.20 = \mathbf{\$251.32}$

For transporting 1 student(s) with a round trip of 20 miles, assuming 2 round trips per day, the estimated amount for reimbursement is **\$251.32**.

This estimate is provided to meet the requirements of Wis. Stats. s.118.51(14)(b).

It is recommended to **print and keep this page**.

Final payment will be based on actual miles and the final proration factor necessary to distribute the amount of money appropriated.

**This is not a claim form. A separate claim form must be filed at the end of the school year to request transportation reimbursement.**

### Preferred Programs and Schools?

- If you are applying to a virtual charter school, you **MUST** select it from the drop-down lists below under the "Preferred School" - **DO NOT** type the name into the comments box. Click on [Virtual Charter Schools](#) to see a list of those schools.
- If you are not applying to a virtual charter school, this page is **optional** - in other words, you do not need to enter anything. **However**, if you have a preference for schools or programs you may enter them below. You are not guaranteed a spot in the places you list, but they may be taken into consideration when the school district assigns the schools.
- If you wish to request more than one school or program, enter the additional ones in the freeform space below. You may also use this space to indicate a second or third choice.

What schools and/or programs would they prefer to attend in each school district? *(if no schools are shown, only one school exists for that grade)*

School District	Student	Applying to Grade	Preferred School	To enter additional choices or if your preferred school is not on the dropdown list to the left (e.g. 4K program at a daycare), enter the school name below.	Limit To?
Lake Mills Area	Jordy Nelson	KG	Lake Mills Elementary ▼		<input type="checkbox"/>
McFarland	Jordy Nelson	KG	Wisconsin Virtual Academy K-8 (WIVA) ▼		<input checked="" type="checkbox"/>
Watertown Unified	Jordy Nelson	KG	Webster Elementary ▼		<input type="checkbox"/>

If you are **ONLY** interested in the school or program on each line, you may check the "Limit To" box on the same line, and the school district will only consider that school or program. However, leaving it blank will keep your options open, as your child, once in the school district, may be able to transfer into the schools or programs that you prefer.

If you check the "Limit To" box at the end of a line, you are agreeing/telling that particular school district the following:

"I wish my child to be considered **only** for the specific school or programs indicated. I understand that if space is not available in this school or program, my application may be denied even if there is space in other schools in this school district."
